

Copper Canyon: Registration Details

Thank you for your interest in participating in a BorderLinks delegation to Copper Canyon! For more information about what to expect on a BorderLinks trip, please visit our webpage at www.borderlinks.org. You can register for the trip electronically on our website by following the “Education” tab, and then “Delegations”, and finally, “Registration.” You might also want to read through our Orientation Packet, which can also be found in the “Delegations” section. This Packet contains helpful information about how to prepare, what to expect, and what to pack on your trip.

A couple of points worth noting:

- Please ignore the payment information and costs listed in the Orientation Packet. The “Payment Schedule” paragraph in the Orientation Packet has information geared towards self-organized groups that come to BorderLinks – e.g. a professor and group of students from a university. Registration and payment for the Copper Canyon trip is done individually.
- After you register electronically, please mail in a \$500 non-refundable deposit to hold your space on the trip (the deposit is due 6 weeks in advance of the trip). The remainder, \$800 for double occupancy or \$950 for single occupancy, will be due 4 weeks before your trip. BorderLinks is unable to refund any program participation fees should you cancel less than a month before the trip.
- BorderLinks staff will be in touch with you as the trip approaches with more details. You can call or email us anytime with questions.

If you would like any further information, please email education@borderlinks.org or call our Tucson office: (520) 628-8263.

We look forward to having you join us on this exciting delegation!
